**HSMB AGM Wednesday 15<sup>th</sup> November**

More details will available nearer the time

**Christmas Party Thursday 14<sup>th</sup> December**

More details will available nearer the time

### League Report:

The League starts again in October

### Friendly:

There are no friendly games arranged at this time.

### New Members:

If you have any friends in Hadara or any other Ara that you think would like to have at taster session at bowls please encourage them to have a go. The first three sessions are free and we would be pleased to see new members.

### Sessions:

Could we remind all playing members that you should aim to be there 10 minutes before a session to help set up the hall and be around after to put away the equipment. It is not the job of the steward to do this all on his own so if you could keep this in mind it would be very helpful.

Happy Bowling, your feedback would be welcomed, should you wish to make any comments please contact any committee members listed below

HSMB Committee
