The biggest show on Broadway is playing in London in a hotly-anticipated, brand-new West End production. Starring Grammy Award winner Sheena Easton

Peggy Sawyer may be from a small town, but she has big dreams. Fresh of the bus in New York, the young, hard-working Peggy lands herself a spot in the chorus line of a new Broadway show. At first, she is just one dancer among many, but when the show's leading lady is injured it seems that Peggy may get her shot at the limelight after all.

An American fable that never fails to sweep audiences off their feet, the London production of **42nd Street** is a vivacious, technicolour masterpiece that features a cast of more than 50 performing all-new songs and dancers as well as favourites such as 'We're In The Money', 'Lullaby Of Broadway', 'Shuffle Off To Buffalo', 'Dames', 'I Only Have Eyes For You' and '42nd Street'.
