DERREN BROWN Thurs 2nd April 7.30pm *PLACES AVAILABLE*

Derren Brown returns to the stage with his brand-new live show!
The multi award-winning master of mind control and psychological illusion, Derren Brown, is at his very best on stage. His one-man shows have received wide critical acclaim and more Olivier wins and nominations than any other in history! Now with his first brand new theatre show in five years, Derren Brown returns to astonish and amaze audiences up and down the country. The content of Showman remains a closely-guarded secret, but if you've seen him before, you know you're in for a powerhouse treat! All I can reveal is that the show will ultimately be about you, the audience member, because that's what I find most interesting. There are places I'd like to take the audience where we haven't been before. I always aim to have it deliver more than you'd expect. I'm excited to be at the starting point of that process. Getting it on the road will be my favourite part of the year.
