

Your Committee sincerely trusts that you are in good health and staying safe during the lockdown. It doesn't seem possible that it's 3 months already since we last had our meeting in February.

A committee meeting was held over the zoom app on our computers so that we were all social distancing but able to have a committee meeting to discuss the future of our club.

It is not known when we will be able to meet again in large groups, hopefully it won't be too long but in the mean time we have to abide by government guide lines.

The committee did not want to cancel or postpone any of our trips, events or social evenings but as you all know our hands are tied for the moment.

We will be having another Zoom Committee meeting in July to review the situation again. If we then we have a clearer picture of the future we will change things accordingly. We trust that you can understand our decisions.

The following was agreed with all those present.
