

Your Committee sincerely trusts that you are all in good health and staying safe during the lockdown. It doesn't seem possible that it's 5 months since we last had our meeting in February.

A second committee meeting was held over the zoom app on our computers so that we were all social distancing but able to have a committee meeting to discuss the continuing future of our club.

It is still not known when we will be able to meet again in large groups, but in the mean time we have to abide by government guide lines.

We have received notification from the Parish about the possibility of them reopening the Church Centre. However, the restrictions on numbers (30 people) and the fact that we have to sanitise and clean before & after use also cannot use the kitchen, the Committee feels that this is not viable for any future meetings or other activities at this moment in time.

The situation remains the same about our trips, events or social evenings but as you all know our hands are tied for the moment.

We will be having another Zoom Committee meeting in September to review the situation again. If we then we have a clearer picture of the future we will change things accordingly. We trust that you can understand our decisions.
