

Dear Hadara Members

18th May 2021

Your Committee sincerely trusts that you are all in good health and staying safe. Hopefully you have all had both of the vaccine jabs.

The last Zoom Committee meeting was held on 18th May and a number of items were discussed.

We have agreed that hopefully 28th July will be our 1st monthly meeting back for Hadara members after government conformation in June that all restrictions have been lifted.

The Church Centre is available now with rules set in place. We could resume some activities like Keep-Fit/Games. We are looking at possibly June/July. The maximum people at each session would be 15 until the end of June. Watch this space.

We are still actively looking for members to come forward and join the Committee and to take on posts including that of Chairperson. Please give it some serious thought.

We will be having another Zoom Committee meeting in June to review the situation again and hopefully we will then have a clearer picture of the future. We trust that you can understand our decisions.
