

Dear Hadara Members

26th July 2021

Your committee sincerely trusts that you are all in good health and staying safe. Hopefully you have all had both of the vaccine jabs by now.

The Committee had their first meeting in person on 26th July and a number of items were discussed.

Now that government restrictions have been lifted, we can make plans for the club to reopen. Unfortunately, we were unable to go ahead with the proposed July meeting. We will now start back with the [first monthly meeting on 25th August at 2pm](#). There will be no speaker for the August and September meetings so there will be plenty of time to catch up with members and friends that we have not seen since our last meeting in February 2020

For the Safety of all of our members, some of whom may be extremely vulnerable or are unable to have the vaccine, please do not attend our Meetings if you are feeling a bit off colour or have a slight cold or cough. Hand sanitiser will be provided in the Hall - please use it. Windows will be opened to provide ventilation, weather permitting. Face coverings may be worn if you wish to do so.

We are still actively looking for members to come forward and join the Committee and to take on posts. Please give it some serious thought.
