NO FRILLS / SUMMER LUNCH

“BUCKETS AND SPADES”

Thursday 21st July 2022

We leave Hartley by 09.00 and travel by luxury coach to Essex for a “Bucket and Spades” tour of the seaside resorts of Clacton, Jaywick Sands, Frinton and Walton on Naze

Property developer Frank Stedman’s sold £50 plots on the salt marsh fields of Jaywick in the 1920s for East Enders to build holiday chalets. Driven by post war housing shortages, gradually these flimsy chalets became permanent homes and they are still lived in today. We visit Jaywick Martello Tower

We drive through Clacton and its neighbour Frinton, with tree-lined avenues sweeping down to an elegant Esplanade. We stop for free time for lunch (**at your own cost**) by the seaside at Walton on Naze

After lunch we visit Cressing Temple Barns and then Tiptree Tea Rooms for our afternoon cream tea

The cost of £25 is inclusive of the coach and a cream tea

A deposit of £15 will secure your place
