SUSSEX PRAIRIE & BORDE HILL GARDENS SUSSEX

On arrival at Sussex Prairie gardens the owner will give a short talk about the unusual gardens. There will be free time to look around and there is a café on site for a cup of tea or coffee

We then travel on to Borde Hill Gardens with its stunningly beautiful and botanically rich heritage Garden, set within over 200 acres of traditional parkland. It captivates and delights visitors with a series of intimate 'living garden rooms', fine woodland, parkland, lakes and outstanding views across the Sussex High Weald.

There is a lovely Rose Garden and also an Italian Garden. There is a café/restaurant to have lunch and a picnic area should you wish to bring your own lunch.

A deposit of £15 or full payment of £35 will secure your place
