

Your Committee sincerely trusts that you are all in good health and staying safe during these uncertain times and changing government restrictions.

The fourth committee meeting was held over the zoom app on our computers so that we were all social distancing but able to have a committee meeting to discuss the continuing future of our club. The situation has not changed and it is still not known when we will be able to meet again in large groups, but in the mean time we have to abide by government guide lines.

The Church Centre guidelines remains the same. The Committee feels that it is still not viable for any future meetings or other activities at this moment in time.

Hadara accounts have been audited and a copy of the financial statement is included with this newsletter. As mentioned last month the membership subscription for 2020 will carry over and be due October 2021.

We will be having another Zoom Committee meeting on 8th February 2021 to review the situation again. If we then have a clearer picture of the future, we will change things accordingly. We trust that you will support our decisions.

The following was agreed with all those present.
